

The following CLHS and SCHS classmates may or may not be deceased. Because they have only been reported by other classmates. I am a volunteer and do not have time to locate death records. As the old Center Line historian I have been requested to create this handy but very sad list. Send additions to professorwesarnold@gmail.com This list is not complete as some classmates moved out of state. This is public information available from death records. Almost 1300 names revised Sep 11 2026 You can check this website where you might find additional deceased <https://www.alumniclass.com/center-line-high-school-panthers-mi/in-memory/?sort=1>
